Stop blaming. Start **believing**.

Victims of crime from underserved populations are less likely to report violence and abuse or to seek help in the aftermath of a crime.

Listen. Learn. Support.

If you or someone you know is a victim, find help in your area by visiting <http://ovc.ncjrs.gov/FindVictimServices>.

Deja de culpar. Empieza a **creer**.

El sesenta por ciento de niños son expuestos a violencia en sus hogares, escuelas y comunidades, afectando dramáticamente su bienestar ahora y mientras crecen.

Todos los niños tienen el potencial de ser felices y saludables.
Créelos. Apóyalos. La responsabilidad es de todos nosotros.
